WORK EXPERIENCE

Multiple Positions, Topgolf, Germantown, MD

Kitchen Supervisor

Jun 2026-Present

- Supervised kitchen operations for a 12-person team during peak service hours, maintaining food quality standards
- Managed inventory tracking across 4 kitchen stations, coordinating with sous chef to minimize waste and ensure ingredient freshness
- Optimized kitchen workflow during peak service by improving communication, coordinating staff, and ensuring supplies were available when needed

Food Expeditor

Jun 2024-2026

- Managed 6–8 active tickets at a time while coordinating food preparation, quality, and presentation during high-volume service
- Maintained the expeditor line with sauces, vegetables, and garnishes while ensuring orders were complete and delivered to the correct locations
- Enhanced communication protocols among kitchen staff to reduce order errors by 55%

Service Support

Jun 2023-2026

- Delivered food orders and monitored beverage station inventory during peak service, ensuring continuous stock availability across 3 floors
- Trained new Service Support on delivery procedures, service standards, and venue operations
- Communicated with kitchen and front-of-house teams to ensure food and supplies reached the correct locations
